

Tax Credits for Marylanders Who Qualify

The Advance Premium Tax Credit (APTC) lowers the cost of your health insurance monthly premium. The amount you can save is based on your household size and income.

WHO QUALIFIES?

Last year, 9 out of 10 Marylanders who enrolled qualified for financial help to lower their costs.

HOW DOES IT WORK?

USE IT NOW:

You can choose to apply the tax credit directly to your monthly premium. This is a good option to save money each month.

USE IT LATER:

Or you can wait and apply the tax credit when you file your taxes, lowering the total amount you owe in taxes or increasing your refund.
