Enrollment Timelines	
New Groups	A new group must apply by the 15th of the month to receive coverage for the following month. Any applications that are received after the 15th of the month will begin group coverage the 1st of the second month.
Renewing Groups	A renewing group will need to renew or change coverage through CareFirst before the last day of renewal to avoid a gap in coverage. The cutoff date will be the 15th of the month prior to the effective date.
