

Ending Coverage From Your Online Account

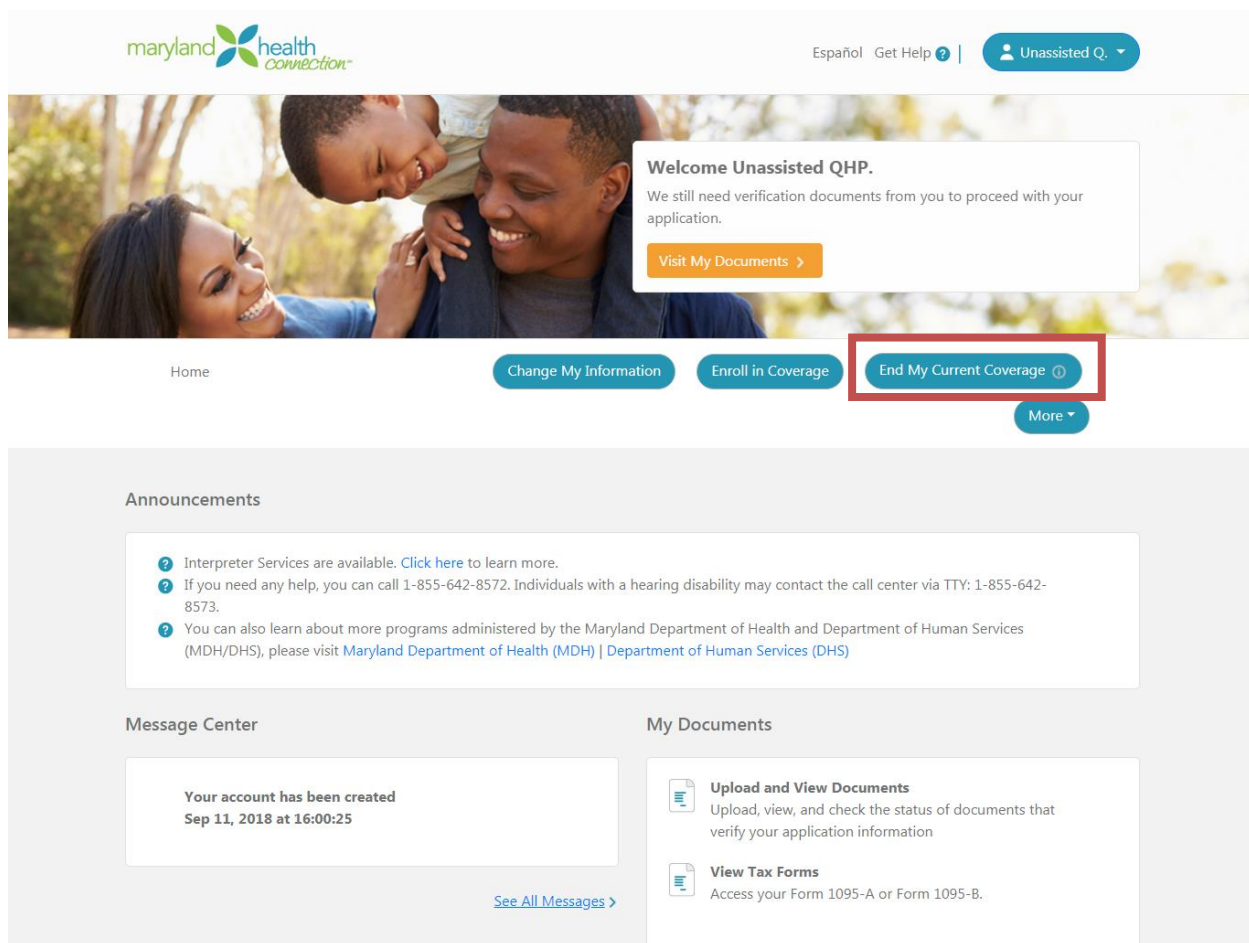

Maryland Health Connection has added new features that will help you better manage your enrollment through your account at MarylandHealthConnection.gov.

Now, you can go online to end your coverage, including a health plan, Medicaid, or dental coverage.

You also may end coverage by faxing or mailing the [Coverage Termination Form \(PDF\)](#), calling our consumer support center at 1-855-642-8572, or getting [free, in-person help](#). Deaf and hard of hearing use Relay Service.

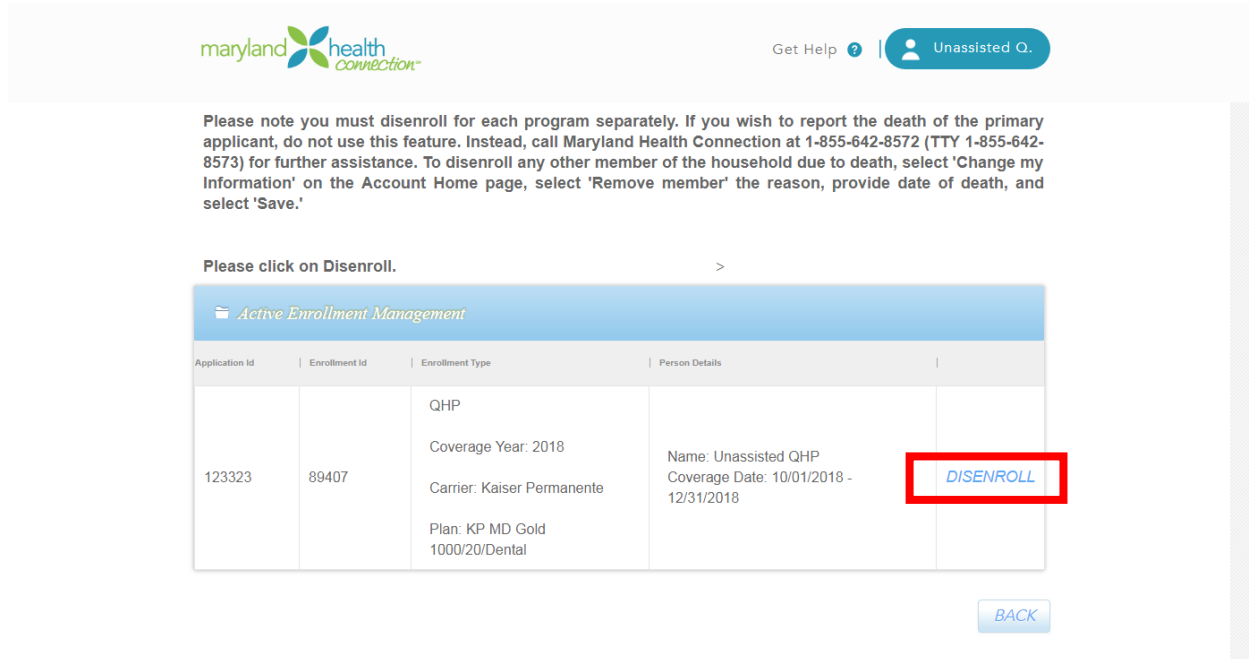

To end your coverage from your online account, follow these steps:

1. Log in to your account at MarylandHealthConnection.gov.
2. On the right side, click the “End My Current Coverage” button.

The screenshot shows the Maryland Health Connection website interface. At the top left is the logo, and at the top right are links for 'Español', 'Get Help', and 'Unassisted QHP'. Below the header is a banner image of a family with a text box that says 'Welcome Unassisted QHP. We still need verification documents from you to proceed with your application.' and a 'Visit My Documents' button. Below the banner is a navigation bar with buttons for 'Home', 'Change My Information', 'Enroll in Coverage', 'End My Current Coverage' (highlighted with a red box), and 'More'. Below the navigation bar are sections for 'Announcements', 'Message Center', and 'My Documents'. The 'Announcements' section contains three items about interpreter services, call center help, and program information. The 'Message Center' shows a message: 'Your account has been created Sep 11, 2018 at 16:00:25' with a 'See All Messages' link. The 'My Documents' section has two items: 'Upload and View Documents' and 'View Tax Forms'.

- Next, you can see all of the plans you are enrolled in and choose which coverage you want to end. To end your coverage, click “Disenroll.”

Please note you must disenroll for each program separately. If you wish to report the death of the primary applicant, do not use this feature. Instead, call Maryland Health Connection at 1-855-642-8572 (TTY 1-855-642-8573) for further assistance. To disenroll any other member of the household due to death, select 'Change my Information' on the Account Home page, select 'Remove member' the reason, provide date of death, and select 'Save.'

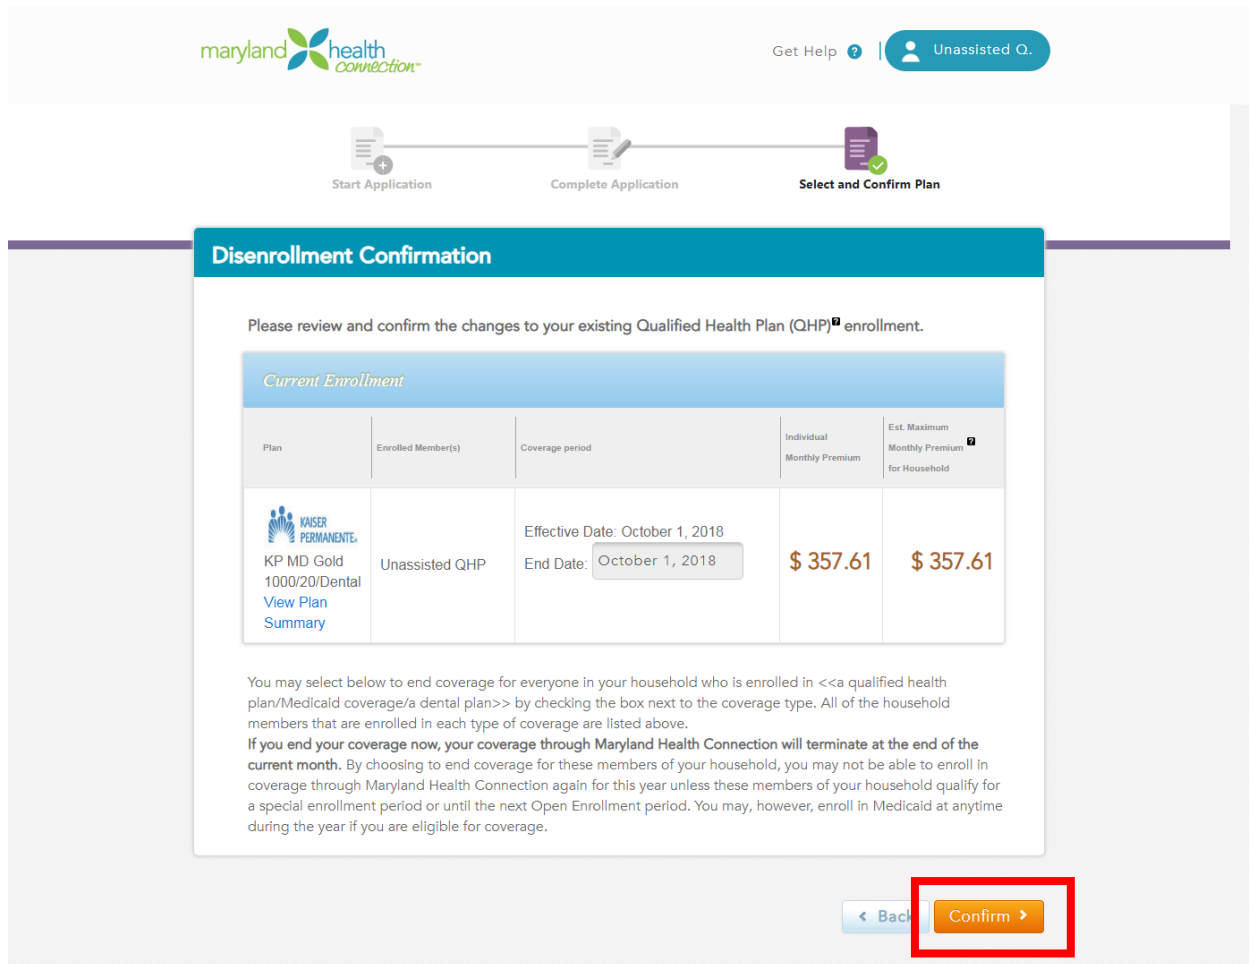

Please click on Disenroll. >
